Do you wish to receive a printed hard-copy version of your course pack or PDFs by email?	Printed course pack / PDFs (delete as appropriate)
Your course fee includes a copy of the Divers Guide to Marine Life. If you already own this book, please indicate an alternative Seasearch guide you'd like to receive instead (delete as appropriate): Seaweeds / Sea Squirts and Sponges / Sea Anemones and Corals / Bryozoans and Hydroids / Marine Fishes of Wales	
Do you do most of your diving? This is not a compulsory part of the course booking, we're just trying to get an idea of who is attending and who will be your local coordinator(s) when we get the go-ahead to start diving again. We encourage volunteers to dive in different places so coming from Cornwall does not preclude booking on Devon events, for example!

Note: It is normal practice to organise practice diving surveys as soon as possible after completion of the Observer Course. Unfortunately, we are unable to do this at the moment due to Covid restrictions. However, if participants are in a position to dive independently following all applicable Covid-19 guidelines the course tutors will happily provide feedback and advice on completed forms.
