Manx Wildlife Trust's Bankers:

Isle of Man Bank, East Region, PO Box 13, Douglas, IM99 1AN

Lloyds Bank, 2 Victoria Street, Douglas, Isle of Man, IM1 1LN

Manx Wildlife Trust's Advocates:

Corlett Bolton & Co, 4 Finch Road, Douglas, Isle of Man, IM1 2PT

Callin Wild LLC, Bank Chambers, 15-19 Athol Street, Douglas, Isle of Man, IM1 1LB

Simcocks Ltd, Ridgeway House, Ridgeway Street, Douglas, Isle of Man, IM1 1EL

Humphrey & Helfrich, The Old Courthouse, Athol Street, Douglas, Isle of Man, IM1 1LD

Manx Wildlife Trust's Auditors:

Moore Dixon LP, 26-28 Athol Street, Douglas, IM99 1BD

Objectives of Manx Wildlife Trust

The Company is established with the charitable objective of the advancement of environmental protection and improvement on the Isle of Man by, but not limited to:

- i. The conservation, restoration, recordal and study of places and objects of botanical, zoological, ecological, geological, archaeological, or other scientific interest, or of natural beauty, and the protection of these from injury, ill treatment or destruction;
- ii. The establishment, formation, maintenance and management of wildlife sites, bird sanctuaries or nature reserves for the conservation and control of wild plants and other vegetation and of the wild creatures of any description living naturally therein;
- iii. The encouragement of the breeding of any species of the wild flora or fauna which are scientifically interesting, beautiful and/or rare;
- iv. The promotion, organisation, carrying on and encouraging of study and research for the advancement of knowledge in the natural sciences, including by making grants and donations for such purposes; and
- v. The carrying on of any other activities which promote wildlife conservation and the natural sciences.

Manx Wildlife Trust (MWT) was founded in 1973 and is the Isle of Man's leading nature conservation charity. Its members, staff and volunteers support MWT to protect Manx wildlife for the future by:

- Driving the development of a Nature Recovery Network across the IOM to create more places for wildlife.
- Championing Nature Based Solutions to enable nature to improve the wider IOM environment for all
- Connecting people in the IOM strongly to nature and inspiring them to act for wildlife

Directors' Report and Annual Report (continued)

For the year ending 31st January 2026

Achievements and Performance

During the year to 31st January 2026 Manx Wildlife Trust continued to carry out its core activities as follows:

- Maintenance and management of our 34 nature reserves;
- Collection and recording of biological data and information;
- Provision of environmental interpretation and educational material;
- Provision of environmental advisory and delivery services to the public, government departments and the commercial sector;
- Monitoring and commenting on proposed planning developments;
- Organisation of wildlife related activities and events for both MWT members and the wider IOM population;
- Various fundraising activities;
- Continued participation and operation of the Wildflowers of Mann Project;
- Continued operation of the Education Officer post and;
- Continued operation of the Marine Officer post;
- Continued delivery of the IOM Agri-Environment Scheme for the Isle of Man Government;
- Delivery of ecological consultancy alongside continued operation of our Gift Shop & Visitor Centre in Peel and two Nature Discovery Centres at Ayres and Scarlett and our Douglas Sea Terminal shop in our Manx Wildlife Trust trading arm Wildlife Limited.

Financial Review

Manx Wildlife Trust made a profit for the year of £2,819,401 (2025: profit £618,075). No dividend or distribution to members is permitted (2025: £ nil). This was made up of a loss of £107,610 of unrestricted funds and a profit of £2,927,011 of restricted funds. The profit for the year includes £3,350,000 of restricted funding from Aviva for specific asset purchases and as such would not be designated as free cash flow. Thie Vunn, a house in Peel, was gifted to MWT with a valuation of £180,000. £10,744 of unrestricted legacies was also received.

Manx Wildlife Trust is funded by income from membership subscriptions, various grants, legacies and donations, dividends from the subsidiary company Wildlife Limited and income from consultancy and advisory services. A full year's budget for the operation of the organisation is prepared and approved by the Council each year. No new projects or major expenditure are undertaken until the majority of the required funding is already secured and in place.

Restricted funds of £1,214,355 (2025: £414,534) have been donated by sponsors for specific purposes and therefore can only be applied in furtherance of the objectives of the project in question. This category also includes general funds which have been allocated for specific purposes by Manx Wildlife Trust. The level of the charity's unrestricted funds, £3,787,624 (2025; £1,768,044), mainly reflects the value of its Heritage Assets (i.e. our nature reserves as well as the value of our headquarters building), as opposed to liquid assets such as Bank and Cash.

Plans for future periods

The MWT strategic plan was revised in May 2020 and updated in January 2025. The interim strategy for The Wildlife Trusts Federation was published in 2026 and the MWT strategy is still firmly in line with this. The MWT strategy sets out the broad targets for all aspects of Manx Wildlife Trust's operation and delivery. 2026 will see a focus on fundraising core funds and broadening our nature recovery work.

Structure Governance and Management

The Council of Manx Wildlife Trust serves as its governing authority and maintains overall charge of all our operations. The Trustees of the Council are appointed as Directors of the Company, which is limited by guarantee. The Council may delegate any of its powers to any committee consisting of one or more Council members, or two or more members of MWT. During this year the standing sub-committees were: Finance only. Day-to-day management of MWT is vested in the executive team of CEO, Head of Engagement and Head of Conservation & Land. There are teams of paid staff and volunteers reporting into both Heads. All of the nature reserves are managed by the Head of Conservation and Land.

Auditors

The auditors, Moore Dixon LP, being eligible, have expressed their willingness to continue in office in accordance with Section 12(2) of the Isle of Man Companies Act 1982.

Directors' Report and Annual Report (continued) For the year ending 31st January 2026

Reference and Administrative Details

The Trustees who served on the Council of Manx Wildlife Trust during the year and to date are as follows:

S Cain (Chairman)	Appointed 7 July 2018
J Hunter (Treasurer)	Appointed 29 March 2021
K Alcantara (Secretary)	Appointed 8 December 2025
K Etherton	Appointed 8 August 2016 (Resigned 8 August 2025)
R Glover	Appointed 29 June 2019
J Amoedo	Appointed 29 March 2021
S Pearce	Appointed 29 March 2021 (Resigned 1 April 2026)
P Thomas	Appointed 29 March 2021
M Grinneback	Appointed 20 June 2022
A Boyd	Appointed 25 July 2022 (Resigned 26 June 2025)
R Coomer	Appointed 09 June 2025
K Ratzeburg	Appointed 09 June 2025

Council may appoint new Trustees during the year, however such Trustees shall cease to be members of Council at the following AGM, but shall then be eligible to stand for re-election to the Council.

Trustees serve for a fixed period of 3 years before being obliged to seek re-election under Article 41 of the Articles of Association.

The Trustees are not remunerated for their services and, under Article 40, no person who is employed by Manx Wildlife Trust shall be eligible for election to the Council.

No Trustees are employed by Manx Wildlife Trust.

The financial statements have been prepared as required by the Charities Registration and Regulation Act 2019 and have followed the Accounting and Reporting by Charities: Statement of Recommended Practice FRS102 (Effective 1 January 2019) issues by the Charity Commissioners for England and Wales.

Statement of Directors' responsibilities For the year ending 31st January 2026

The Directors are required to prepare financial statements for each financial year which give a true and fair view of Manx Wildlife Trust's financial activities during the year and its financial position at the balance sheet date. In preparing financial statements when giving a true and fair view, the Directors should follow the best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that Manx Wildlife Trust will continue in operation.

The Directors confirm that they have complied with the above requirements in preparing the financial statements.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of Manx Wildlife Trust and which enable them to ensure that the financial statements comply with applicable law and regulations. They are also responsible for safeguarding the assets of Manx Wildlife Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations. Under that law the Directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (UK Generally Accepted Accounting Practice), including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

The notes on pages 11 to 23 form part of these financial statements.

Notes to the Financial Statements

For the year ending 31st January 2026

1. ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

Manx Wildlife Trust is a Registered Charity in the Isle of Man, Registered Charity Number 225 IOM, with its registered office and principal place of business at 7-8 Market Place, Peel, IM5 1AB, Isle of Man.

The financial statements have been prepared to give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period. The financial statements have been prepared as required by the Charities Registration and Regulation Act 2019 and have followed the Accounting and Reporting by Charities: Statement of Recommended Practice FRS102 (Effective 1 January 2019) issues by the Charity Commissioners for England and Wales.

The financial statements are prepared in sterling which is the functional currency of Manx Wildlife Trust. The figures presented are rounded to the nearest pound.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates, as detailed in the below accounting policies.

The following principal accounting policies have been applied:

1.2 GOING CONCERN

The Company's business activities, together with its performance, are set out in the Director's report. The Company meets its day to day capital requirements from operations and cash reserves. The Directors have a reasonable expectation that the Company has adequate resources to continue in existence for the foreseeable future. The Company therefore continues to adopt the going concern basis in preparing the financial statements.

1.3 CONSOLIDATED ACCOUNTS

Manx Wildlife Trust owns 100% of Wildlife Limited, a limited company incorporated in the Isle of Man. As permitted under the Isle of Man Companies Act 1982 section 4(2)(b)(i), in the opinion of the Directors, the preparation of consolidated accounts would cause expense and delay out of proportion to their value to the beneficiaries.

1.4 DEFINITION OF FUNDS

Restricted funds have been donated by sponsors for specific purposes and therefore can only be applied in furtherance of the objectives of the project in question. This category also includes general funds which have been allocated for specific purposes by Manx Wildlife Trust.

1.5 REVENUE RECOGNITION

Revenue is recognised to the extent that it is probable that the economic benefits will flow to Manx Wildlife Trust and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable excluding Value Added Tax. In respect of specific income types, the following criteria must also be met before revenue is recognised:

Donations and legacies are accounted for when received or paid. Known legacies which have been notified to Manx Wildlife Trust during the year, and for which receipt occurs or is expected within a reasonable period of the year end, are accrued as income in the year.

Government grants are recognised in deferred income until the relevant expense is incurred, at which point the income is recognised.

Notes to the Financial Statements (continued)

For the year ending 31st January 2026

1. ACCOUNTING POLICIES (continued)

1.6 VOLUNTEER HELP

Honorary Officers and Directors provide support to Manx Wildlife Trust and it is not practicable or feasible to place a value on time volunteered in this respect by these persons or other temporary or occasional volunteers.

1.7 EXPENDITURE

Expenditure is accounted for on an accruals basis under operational headings which reflect the general organisation of Manx Wildlife Trust, excluding value added tax.

1.8 TANGIBLE FIXED ASSETS

The freehold property is measured using the revaluation model as per FRS 102 section 17. The property will be revalued at a sufficient regularity to ensure the carrying value does not materially differ from the fair value. Last revalued in 2024.

Other fixed assets are stated at cost less accumulated depreciation and any accumulated impairment losses. Such cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is provided on leasehold property and plant and equipment, at rates calculated to write off the cost less estimated residual value, of each asset on a systematic basis over their estimated useful lives as follows:

Freehold property	The directors consider that ongoing maintenance work keeps the property to a high level of repair. The difference between the freeholds residual value and the carrying amount in the financial statements is not material. For these reasons any charge for depreciation would be immaterial in the context of the company's Financial Statements and therefore the property is not depreciated.
Motor Vehicles	5 years
Other assets	3 to 5 years

The assets' residual values, useful lives and depreciation methods are reviewed and adjusted prospectively, if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised within other income in the Statement of Income and Retained Earnings.

1.9 HERITAGE ASSETS

Heritage assets of Manx Wildlife Trust include specimen collections, historical artefacts and all of its nature reserves. These assets, whether obtained by purchase, gift or legacy, are regarded as of conservation and / or heritage significance and are preserved and maintained by Manx Wildlife Trust in accordance with its core charitable aims as set out in the memorandum and articles. All nature reserves are maintained for the benefit of wildlife but are publically accessible, either through permanent access provision or by prior appointment with the charity.

The Heritage assets are measured using the revaluation model as per the Financial Reporting Standard 102 Section 34. The Heritage assets will be revalued at a sufficient regularity to ensure the carrying value does not materially differ from the fair value.

Management plans and property archive registers are maintained for all of Manx Wildlife Trust's Heritage assets, which are not to be disposed of and, as such, they are not considered to be financial investments of Manx Wildlife Trust.

Notes to the Financial Statements (continued)

For the year ending 31st January 2026

1. ACCOUNTING POLICIES (continued)

1.10 EQUITY INVESTMENT

The equity investment, which comprises of an unquoted investment in the subsidiary, has been recognised initially at transaction price. Subsequently, the investment has been stated at cost less impairment, if applicable, as it is not publicly traded and therefore there is no reliable measure of fair value.

1.11 DEBTORS AND CREDITORS

Short term debtors and creditors with no stated interest rate and which are receivable or payable within one year are recorded at transaction price less any impairment. Any losses arising from impairment are recognised in the income statement.

1.12 CASH AND CASH EQUIVALENTS

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and are readily convertible to known amounts of cash with insignificant risk of change in value.

In the Statement of Cash Flows, cash and cash equivalents consist of cash and cash equivalents as defined above, net of any bank overdrafts.

1.13 FINANCIAL INSTRUMENTS

Manx Wildlife Trust only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities such as trade and other accounts receivable and payable and loans to related parties.

Debt instruments that are payable or receivable within one year, typically trade payables or receivables, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration, expected to be paid or received.

Financial assets and liabilities that are measured at the fair value of the amount expected to be paid or received are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Income Statement.

For financial assets and liabilities measured at cost less impairment, the impairment loss is measured as the difference between an instruments carrying amount and best estimate, which is an approximation of the amount that Manx Wildlife Trust would receive or pay for the instrument if it were to be sold at the reporting date.

Notes to the Financial Statements (continued)

For the year ending 31st January 2026

2. JUDGEMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION UNCERTAINTY

Judgements and estimates are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

2.1 CRITICAL JUDGEMENTS IN APPLYING THE TRUST'S POLICIES

i) Freehold property depreciation

Management have not depreciated the freehold property as required by FRS 102 as they are of the opinion that the market value of the property is at least equal to its carrying value and that any depreciation applied between revaluations would be immaterial.

2.2 KEY ACCOUNTING ESTIMATES AND ASSUMPTIONS

The preparation of the financial statements requires management to make estimates and assumptions that affect the amounts reported for assets and liabilities at the reporting date, and the amounts reported for revenue and expenses during the year. However, the nature of estimation means that actual outcomes could materially differ from those estimates. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below.

i) Fixed Assets

Management has made estimates and assumptions in determining the useful lives and residual values of fixed assets. The useful lives of fixed assets are based on management's experience with similar assets and take into account anticipated market changes. Residual values are based on prices for similar assets at the end of their useful lives. Depreciation is calculated over the estimated useful lives of the assets in accordance with the accounting policy. Management reviews the residual values and useful lives of fixed assets at least annually and adjusts them if necessary.

ii) Heritage assets

The heritage assets are revalued on a regular basis. The directors assess annually whether there has been any material movement in the value of the assets. This assessment is completed through an analysis of current market value trends, indicators of land impairment, and where available, comparisons of similar land being recently sold. A professional valuation was carried out in January 2025. The carrying amount of the heritage assets in the financial statements reflects this assessment.

Notes to the Financial Statements (continued)

For the year ending 31st January 2026

3. REVENUE

The revenue of Manx Wildlife Trust all derives from one principal area of activity, that of charitable activities. The categories of revenue recognised by Manx Wildlife Trust are shown in the Statement of Income and Retained Earnings.

Manx Wildlife Trust has benefited from the following grant assistance and business sponsorship during the year:

		2025/26	2024/25

Administrative costs	(114,925)	(111,561)
Operating Profit	42,176	57,709
Taxation		
Dividend	(33,740)	(46,168)
Retained Profits	8,436	11,541

Notes to the Financial Statements (continued)

For the year ending 31st January 2026

5. PROJECT EXPENDITURE

Project	Unrestricted	Restricted	2025/26	2024/25
	Funds	Funds		
	£	£	£	£
Conservation	107,168	361,211	468,379	288,124
Engagement	-	131,892	131,892	107,590
Administration	-	1,812	1,812	1,250
	<u>107,168</u>	<u>494,915</u>	<u>602,083</u>	<u>396,964</u>

During the year the Charity reviewed how it presents project related expenditure to provide great clarity and transparency over how funds are applied. Project is now analysed under three main headings - Conservation, Engagement and Administration.

Comparative figures have been re-presented, where necessary, to align with the current year classification. This change is a presentational reclassification only and has no impact on the overall results for the year.

6. CHARITABLE ACTIVITIES

Activity	Unrestricted	Restricted	2025/26	2024/25
	Funds	Funds		
	£	£	£	£
Nature Reserves Costs	-	-	-	51,598
Events and Sales	61,262	-	61,262	14,586
	<u>61,262</u>	<u>-</u>	<u>61,262</u>	<u>66,184</u>

During the year the Charity reviewed the presentation of its charitable activities to better reflect how resources are applied in delivering its objectives. Previously charitable expenditure was analysed between Nature Reserves Costs and Event and Sales spend.

From the current year, costs relating to Nature Reserves are included within Conservation project spend. This provides a more consistent and transparent presentation of conservation related activities.

7. STAFF COSTS

	2025/26	2024/25
	£	£
Wages and salaries	544,436	439,673
National insurance costs	42,852	34,411
Pension costs	15,311	18,283
	<u>602,599</u>	<u>492,367</u>

The average number of employees during the year was 14 full-time staff and 9 part-time (2025: 10 full-time and 10 part-time).

8. TAXATION

The whole of Manx Wildlife Trust's income qualifies for exemption from Isle of Man tax as per Section 15(a) of the Income Tax Act 1970. As such, no provision for taxation has been made.

Notes to the Financial Statements (continued)

For the year ending 31st January 2026

9. TANGIBLE FIXED ASSETS

	Freehold Property	Motor Vehicles	Other Assets	Total

15. CREDITORS: AMOUNTS FALLING DUE AFTER MORE THAN ONE YEAR

	Unrestricted Funds	Restricted Funds	2025/26	2024/25
	£	£	£	£
Lloyds Bank Loan	70,000	-	70,000	70,000
	70,000	-	70,000	-

The Crossags Carbon Scheme is coordinated by MWT. The land at Crossags was purchased in 2025 for £120K of which £50K was a grant from the IOM Lottery Trust and £70K was a loan from Lloyds Bank International, which is being paid back over 25 years by three IOM based businesses in return for the future carbon credits, which will be generated by the trees MWT plant on the land.

Notes to the Financial Statements (continued)

For the year ending 31st January 2026

16. FUNDS

	Balance at 31 Jan 2025	Profit/Loss	Transfers between funds	Gains/Losses	Balance at 31 Jan 2026
	£	£	£	£	£
Unrestricted Funds	1,768,044	(107,610)	2,127,190	-	3,787,624
Restricted Funds	414,534	2,927,011	(2,127,190)	-	1,214,355
Revaluation Reserve	926,181	-	-	-	926,181
	3,108,759	2,819,401	(0)	-	5,928,160

The level of the charity's unrestricted funds mainly reflects the value of its Heritage Assets (i.e. its nature reserves as well as the value of its headquarters building), as opposed to liquid assets such as Bank and Cash.

17. TRANSFER OF FUNDS

Restricted funds comprise funds received for use only on specific projects less expenditure on those projects. The balance of restricted funds and the movement in the year are shown below.

Capital Movement is made up of funds received and still held in restricted pots at the year end less any spending on assets.

	Capital Movement	Profit/Loss	Transfer of Funds
	£	£	£
Project Funds	799,821	2,927,011	(2,127,190)

18. RELATED PARTY TRANSACTIONS

(a) Control and Key Management Personnel

The ultimate controlling parties of Manx Wildlife Trust are considered to be the Directors.

(b) Transactions and Balances

Manx Wildlife Trust shares premises with its subsidiary, Wildlife Limited. Wildlife Limited pays Manx Wildlife Trust a rental of £730, and a utilities charge of £190, per month. There is no formal agreement between Manx Wildlife Trust and Wildlife Limited. Wildlife Limited paid a total of £11,040 (2025: £11,040) in rent and utilities in the year ended 31st January 2026. Wildlife Limited repaid a total of £46,168 (2025: £83,615) in outstanding dividend payments to Manx Wildlife Trust during the year. Dividend proposed but not received at the year-end amounted to £33,740 (2025: £46,168).

Intercompany debtor of £33,740 (2025: £46,168) was outstanding from Wildlife Limited at the year end.

Notes to the Financial Statements (continued)

For the year ending 31st January 2026

19. POST BALANCE SHEET EVENT

On 24 March 2026 Manx Wildlife Trust purchased land at Close y Vaillee and Close Thompson, Ballaugh Curragh for a value of £11,074.

On 7 May 2026 Manx Wildlife Trust purchased land at Cronk Y Chule in Laxey. The purchase was made using a donation from Aviva via The Wildlife Trust in the UK as part of the Atlantic Rainforest Restoration programme.

On 6th May 2026 Manx Wildlife Trust received a donation of £658,375 from a Legacy Foundation specifically for the delivery of 4 separate projects over the next 12 months. Those projects are Ramsey's Sand Dunes, Marine Nature Reserve, Return of the Oyster and Community Nature Hub.

On 1st May 2026 Manx Wildlife Trust received an amount of £260,942 from Aviva via The Wildlife Trust in the UK. This donation was for the ongoing management costs of the Atlantic Rainforest Restoration programme.
